# ECHA's work in a global context

- ECHA's international work fits within its legal mandate or is outlined in separate agreements
- Further outlined in Exchange of Letters between the Agency and Commission

# Tools and methods support regulatory implementation

## IPA: Main activities

- Participation of the beneficiaries in relevant *EU events*
- *Study visits* to equivalent authorities in the EU Member States or ECHA
- *IPA specific workshops* on topics of highest relevance to the beneficiaries' alignment with the EU chemical legislation

# Thank you!
