Notification for administrative change of the biocidal product SURE Antibac Handwash (SALVESAFE A28M)

The Swedish Chemicals Agency has received a notification of administrative changes (SN-ADC) concerning the biocidal product listed below. The notification was made in accordance with Article 9(a) in Regulation (EU) no 354/2013¹. The product is authorised in accordance with Article 26 in Regulation (EU) no 528/2012² by the Competent Authority in Latvia and notified in Sweden in accordance with Article 27 in the same regulation.

The administrative changes notified consist in the addition of new formulators of the biocidal product. The biocidal product composition and the formulating process will remain unchanged. The Competent Authority in Latvia accepted these changes the 25th May 2020.

Product name	SURE Antibac Handwash (SALVESAFE A28M)
Product authorisation no	EU-0006622-0008
Case number in R4BP	BC-AM060321-54

Attached to this letter is:

- The SPC for the product, in Swedish.

We hereby confirm that the changes have been accepted.

The Swedish Chemicals Agency does not approve labels for products. It is the responsibility of the applicant to make sure that the product is placed on the market with a correct labelling and that the label is in accordance with the provisions in the authorisation for the authorised product.
