WG Prioritisation

Overview

1. Objective and mandate of the WG
2. Prioritisation process
3. Last WG meeting
4. Topics for the REF5
5. Rejected proposals
6. Topics for Forum pilot projects

Objective and mandate of the WG

- Propose annually the subject for the next REF
- Review annually a list of proposals for REF projects
- Prioritise the subjects by applying Forum's methodology for the prioritisation, selection and management of REF projects
- Draft a recommendation proposing the subject for the next REF project and pilot projects

Prioritisation process

- All the proposals submitted by the deadline (30 April 2015) considered during prioritisation process of REF5
- WG reassessing proposals submitted in previous years
- Forum methodology – assessing mandatory (e.g. relevancy, added value etc.) and optional criteria (risk, feasibility etc.)
- All mandatory criteria has to be fulfilled

WG meeting

- WG met on 3 June 2015 and reviewed all the proposals:
 - **25** new proposals for REF 5
 - Older REF4 and REF3 proposals (+**40**)
 - Topics of REF1 and REF2 (+**2**)
- Not all proposals fulfilled mandatory criteria
- Recommendations for REF5 and pilots drafted
- Number of proposals dealing with the same issue – need for **combination** of proposals from ASOs and MS

Topics for the REF5

- **Top 3 - PIC**- Enforcement of Article 17 of the PIC Regulation
- **Top 2 - CLP** - project combining suggestions from different submitters: classification, labelling with regard to information on SDSs and in cooperation with customs. Differences in classification of the same substance, deviations from harmonised classification.

Topics for the REF5

- **Top 1 - Extended SDS / RMM** - Project combining suggestions from different submitters: consistency of the SDSs with CSRs and supply of extended SDS. Risk Management Measures and Operational Conditions.

Some rejected proposals

- Rejected for not fulfilling mandatory criteria
- **Enforcement of the last resort principle** - Forum may be interested in learning about national activities in that area.
- **Chemicals labelling under European legislation (CLEEN)**- Not an enforcement project.
- **Labelling of unpacked mixtures** – CLP Annex II, Part 5

Topics for Forum pilot projects

- Topics chosen from the REF proposal
- **SiA** - Obligations relevant to the notification and communication of SVHC in articles
- **Advertisement of hazardous chemicals** - article 48 CLP

Thank you!
