## **Acceptance of notification of administrative change - Creosote EN 13991 BPF (NO-2017-0129)**

We refer to your notification for administrative change to the biocidal product authorisation for Creosote EN 13991 BPF (NO-2017-0129) - Case no. BC-MJ033247-39.

According to Article 50 (2) in Regulation (EU) No 528/2012 concerning the making available on the market and use of biocidal products, changes to the conditions laid down in a biocidal product authorisation shall be accepted/approved by the Competent Authority. Changes to a product authorisation are further described in Regulation (EU) No 354/2013.

Regulation (EU) No 528/2012 and Regulation (EU) No 354/2013 are implemented in Norwegian law through the Norwegian Biocide Regulation of 18 April 2017 No. 480.

We hereby confirm that we accept the notification for administrative changes to Creosote EN 13991 BPF. The notification concerns change in the names of the biocidal active substance and biocidal product manufacturers from "RÜTGERS Basic Aromatics GmbH" to "RÜTGERS Germany GmbH" and from RÜTGERS Belgium, NV" to "Rain Carbon bvba", as referred to in Section 1 of Title 1 to the Annex to Regulation (EU) No 354/2013. No other changes than the above mentioned is accepted with this letter.

The revised SPC is uploaded to R4BP3. In some cases a PDF-file of the SPC is automatically generated in R4BP3. In such cases, please refer to the uploaded SPC in XML-format, as the automatically generated PDF-file generally seems to contain some errors.

Best regards  
Norwegian Environment Agency
