Documentation

The following types of Documentation on IUC

- IUCLID 5 Installation Manuals
- IUCLID 5 End User Manuals
- IUCLID 5 Technical Manuals
- REACH specific IUCLID 5 Manuals
- IUCLID 5 Licence Agreement

IUCLID 5 Getting Started Manual

The guidance given in this Getting Started Manual aims at assisting the novice IUCLID user to set up the application and use it immediately without having to read the details provided with the full version of the IUCLID 5 End User Manual first. The references to specific chapters of the full version are intended as hints for where to find more details
