**Subject: ECHA/2010/93: Multiple framework contracts with re-opening of competition and division into five lots for the provision of management consulting services**

### **CLARIFICATIONS 3**

**3.1.**

**Q:**

The question refers to the Technical and Professional Capacity and in particular to the section 2.2 Sufficient experience in the field of the services for the specific lot where 5 contract are requested as references: “a minimum number of 5 contracts for the provision of similar services for a minimum of 500 person-days in total in the past 3 calendar years.”

Question – a minimum of 500 person-days has to be considered as total for 5 contracts or each contract that we put as a reference should be with a minimum of 500 person days?

For example, for lot 4, 1 contract with 300 person days plus other 4 contracts with 50 person days each is acceptable as scenario?

**A:**

The minimum of 500 person-days will be considered as a total for 5 contracts.
