Subject: ECHA/2009/40: Multiple Framework Contract with reopening of competition and division into 10 lots for provision of IT consulting services, awarded through an open procurement procedure

CLARIFICATIONS 3

3.1

In the page 79 of 113: Financial Award Criteria, you are asking the price per category of consultants in two profiles: Senior Consultant and Consultant but for some of the Lots (from 1 to 6) in page 15 you indicated a 100% use of the Senior Consultant and 0% in Consultant. Must we specify both prices anyway, is it right? This distribution is only indicated so you need to know the price of both profiles for each lot?

The tenderers are requested to specify the price of a man day both for Senior Consultants and Consultants in the given Lot (financial form in Section 5.2.4.2).

Please note that the distribution of categories per lot as indicated in page 15 of the Specifications is indicative. The actual use of categories during the execution of the Framework Contracts may differ from these figures depending on the needs of ECHA.
