On administrative changes of notification for placing on the market of the biocidal product *SPRAY Twice a Day*

Latvian Environment, Geology and Meteorology Centre (LEGMC) on 11 January 2022 received the application for administrative changes via Register for Biocidal Products (Case No. BC-PB072528-39) submitted according Article 6 of *Commission Implementing Regulation (EU) No 354/2013 of 18 April 2013 on changes of biocidal products authorised in accordance with Regulation (EU) No 528/2012 of the European Parliament and of the Council* for the biocidal product **SPRAY Twice a Day** with authorisation number **EU-0024114-0000**.

LEGMC evaluated the application and agreed with the proposed administrative change:

- the addition of efficacy claim against enveloped viruses.

This letter is integral part of the previous issued letter on a notification for placing on the Latvian market of the biocidal product *SPRAY Twice a Day* (19th of July 2021, letter No. 4-6/1047).

LEGMC would like to ask **Panzerglass A/S** to notify the above mentioned information down to supply chain.

Head of Information Analysis Department
