Administrative information

1.1. Trade names of the product

PREDATOR

1.2. Authorisation holder

Name and address of the authorisation holder	Name	Leroy Cosmetics s.r.o.
	Address	Nejdecká 600 61944 Lednice Czech Republic
Authorisation number	CZ-2014-0033	
R4BP 3 asset reference number	CZ-0008076-0000	
Date of the authorisation	19/11/2014	
Expiry date of the authorisation	29/12/2024	

1.3. Manufacturer(s) of the biocidal products

Name of the manufacturer	Leroy cosmetics s.r.o.
Address of the manufacturer	Nejdecká 600 69144 Lednice Czech Republic
Location of manufacturing sites	Nejdecká 600 69144 Lednice Czech Republic

1.4. Manufacturer(s) of the active substance(s)

Active substance	23 - N,N-diethyl-meta-toluamide
Name of the manufacturer	Vertellus Specialities Belgium NV
Address of the manufacturer	Haven 611,Tijsmantunnel West 2040 Antwerpen Belgium
Location of manufacturing sites	Vertellus 27403 Greens Boro, North Carolina United States

2. Product composition and formulation

2.1. Qualitative and quantitative information on the composition of the biocidal product

Common name	IUPAC name	Function	CAS number	EC number	Content (%)
N,N-diethyl-meta-toluamide	N,N-diethyl-m-toluamide	Active Substance	134-62-3	205-149-7	16
Denatonium benzoate			3734-33-6	223-095-2	0,32
propane			74-98-6	200-827-9	6
butane			75-28-5	200-857-2	30
isobutane			106-97-8	203-448-7	3
ethanol			64-17-5	200-578-6	31,36
butanone			78-93-3	201-159-0	0,32
water					13

2.2. Type of formulation

AL - Any other liquid

3. Hazard and precautionary statements

Hazard statements

Precautionary statements

Harmful to aquatic life with long lasting effects. Causes serious eye irritation. Pressurised container: May burst if heated Extremely flammable aerosol.
Keep out of reach of children. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Do not eat, drink or smoke when using this product. Dispose of contents to dangerous waste. Keep container tightly closed. Do not breathe spray.

4. Authorised use(s)

4.1 Use description

Use 1 - REPELENT

Product type

PT19 - Repellents and attractants (Pest control)
--

Where relevant, an exact description of the authorised use

Repellent against mosquitoes and ticks to be applied on skin and clothing

Target organism(s) (including development stage)

Scientific name: Arachnida: Acari: Common name: Arachnids: ticks and mites Development stage: Adults
Scientific name: Culicidae: Common name: Aedes mosquitoes Development stage: Adults
Scientific name: Culicidae: Common name: Anopheles mosquitoes Development stage: Adults

Field(s) of use

Outdoor Repellent against mosquitoes and ticks

Application method(s)

Open system: spray treatment - Application from 20-30 cm.
--

Application rate(s) and frequencies

6g - ready to use, no dilution -
Direct application onto skin: in children upto 12 it is possible to apply once per day
In children over 12 and adults it is possible to apply 2x per day.

1 g corresponds to 5 strikes.
maximum amount in adult males -6g per one application

Category(ies) of users

General public (non-professional)

Pack sizes and packaging material

aluminium or plastic container 50-5000 ml

4.1.1 Use-specific instructions for use

Application on skin from 20-30 cm

4.1.2 Use-specific risk mitigation measures

Product must not be used in children younger than 2. In children 2-12 it can be applied 1x per day only. In children over 12 and adults it can be applied 2x day. On face and neck spread using palm. Do not apply on sunburnt or damaged skin. Do not apply onto hands in children. On return home, wash the treated parts with water and soap. The product is efficacious for 2 hours.

4.1.3 Where specific to the use, the particulars of likely direct or indirect effects, first aid instructions and emergency measures to protect the environment

Store separated from food, feed and beverages. The product is not to be used for professional or industrial users. Keep out of reach of children. Avoid contact with muth and eyes. Never use in chlidren 2 years old or younger. In children never apply onto hands. Never eat, smoke or drink when using the product. Do not inhale aerosols. Use only outdoors or well ventilated space.

4.1.4 Where specific to the use, the instructions for safe disposal of the product and its packaging

Dispose of the content as a dangerous waste and the empty container put into communal waste.

4.1.5 Where specific to the use, the conditions of storage and shelf-life of the product under normal conditions of storage

Shelf life-24 months

5. General directions for use

5.1. Instructions for use

see specific directions for use

5.2. Risk mitigation measures

see specific directions for use

5.3. Particulars of likely direct or indirect effects, first aid instructions and emergency measures to protect the environment

On consumption: rinse mouth, do not induce vomiting

On inhalation::
transfer the patient onto fresh air and leave them in a position facilitating breathing.

On eye contact: Rinse with water, take away contact lenses , continue rinsing for a few minutes.

5.4. Instructions for safe disposal of the product and its packaging

Dispose of content as a dangerous waste

5.5. Conditions of storage and shelf-life of the product under normal conditions of storage

shelf life -24 months
