Administrative change for the product Roban vaxkubbar

The Environment Agency of Iceland (Umhverfisstofnun) received your application for administrative change of Roban vaxkubbar on 2nd September 2016. The case was accepted by the agency on 3rd February 2016. In addition to the material in the application documents the agency has based the authorisation on the authorisations of the Danish Environmental Protection Agency.

This authorisation is granted in exercise of the powers conferred by Articles 50(2) and (3)(a) of Regulation (EU) No 528/2012 and Article 6 (4) of Regulation (EU) No 354/2013 (on changes) in accordance with Article 1(6) of Icelandic Regulation No 878/2014 on biocidal products, which implemented Regulation (EU) No 354/2013 into Icelandic legislation.

The Environment Agency of Iceland granted authorisation to Roban vaxkubbar, with the authorisation number IS-0006759-0000 under Icelandic Regulation No 878/2014 on biocidal products, which implemented Regulation (EU) No 528/2012 into Icelandic legislation.

We hereby confirm that we accept the notification for an administrative change in other administrative details of the authorisation holder than the name and address.

The notification concerns

- Confirmation of classification under CLP (1272/2008),
as referred to in Section 2 of Title 1 to the Annex to Regulation (EU) No 354/2013.

The Environment Agency of Iceland amends the authorisation number IS-0006759-0000 in the following terms:

1. A Summary of the Product Characteristics, compliant with Article 22 (2) of Regulation (EU) No 528/2012 is listed in Appendices 1 – the relevant criteria for this biocidal product authorisation applies as described therein.
