On administrative changes of the national authorisation

Latvian Environment, Geology and Meteorology Centre (LEGMC) on 5th June 2023 received the application for administrative changes via Register for Biocidal Products (Case No BC-VD086645-25) submitted according Article 6 of *Commission Implementing Regulation (EU) No 354/2013 of 18 April 2013 on changes of biocidal products authorised in accordance with Regulation (EU) No 528/2012 of the European Parliament and of the Council* for the biocidal product **PROTECT PHARAOH'S ANT COLONY ELIMINATOR** with authorisation number **LV/2017/MR/025**.

LEGMC evaluated the application and agrees with proposed changes:

1. Change in the name or address of the authorisation holder, which remains in the EEA.
2. Change in the name, the administrative details, or the formulating location of the biocidal product formulator, where the biocidal product composition and the formulating process remain unchanged.
3. Change in the name or the administrative details of a manufacturer of the active substance, where the manufacturing location and process remain unchanged and the manufacturer remains listed in accordance with Article 95(2) of Regulation (EU) No 528/2012.

Bábolna Bioenvironmental Centre Ltd. continues its activities as **Bábolna Bioenvironmental Centre Private Limited Company**. Address remains unchanged.

This letter is an integral part of authorisation of biocidal product through mutual recognition (8th September 2017, letter No. 4-6/1322).

LEGMC would like to ask Bábolna Bioenvironmental Centre Private Limited Company to notify the above-mentioned information down to the supply chain.
