Method: Pre-packed covered plastic dishes Detailed description: Space dishes (centre-to-centre) as follows: <ul style="list-style-type: none">• nesting sites 14-15cm• night roosts 14-20cm• day roosts 18-25cm

Application rate(s) and frequencies

Application Rate: - Dilution (%): Number and timing of application: Product will remain effective for a minimum period of 4 years.

Category(ies) of users

Professional

Pack sizes and packaging material

Round PET dish with cover (20 x 65 mm). Fifteen dishes of BIRD FREE (three columns of five) are packed into a cardboard box (200mm long x 70mm wide x 110mm high). Twenty of the 15-dish boxes are packed into an outer box (360mm long x 417mm wide x 238mm high).

4.1.1 Use-specific instructions for use

Affix pre-packed covered plastic dishes to dry surfaces with silicone adhesive and remove covers from dishes.
It is essential to clean the application site of all nests, faeces and other organic debris before the product is applied (failure to do so will compromise efficacy).
Allow cleaned surfaces to dry fully prior to treatment.
When replacing or removing, remove plastic dishes and clean surfaces with a disposable cloth soaked in soap and water. Avoid touching the gel when removing the dishes.

4.1.2 Use-specific risk mitigation measures

For professional use only.
For use only as a repellent.
For use in, on and around buildings only.
To avoid risks to man and the environment, comply with the instructions for use.
Wash hands and exposed skin before meals and after use.
Do not apply directly on or near food, feed or drinks, or on surfaces or utensils likely to be in direct contact with food, feed, drinks and animals.

4.1.3 Where specific to the use, the particulars of likely direct or indirect effects, first aid instructions and emergency measures to protect the environment

In case of inhalation: Remove person to fresh air and keep comfortable for breathing.
In case of skin contact: Wash skin with plenty of water. Remove contaminated clothing and wash before re-use.
In case of eye contact: Rinse eyes with water as a precaution. Hold eye open and rinse slowly and gently with water for 20 minutes. Remove contact lenses, if present and easy to do so, then continue rinsing eye. Seek medical advice
In case of ingestion: Call a poison centre or doctor if you feel unwell.

4.1.4 Where specific to the use, the instructions for safe disposal of the product and its packaging

This material and its container must be disposed of in a safe way.
Dispose of contents/container in accordance with local regulations.

4.1.5 Where specific to the use, the conditions of storage and shelf-life of the product under normal conditions of storage

Keep in a safe place.
Store in a well-ventilated place in original container.
Shelf-life: 12 months.

5. General directions for use

5.1. Instructions for use

See section 4.1.1

5.2. Risk mitigation measures

See section 4.1.2

5.3. Particulars of likely direct or indirect effects, first aid instructions and emergency measures to protect the environment

See section 4.1.3

5.4. Instructions for safe disposal of the product and its packaging

See section 4.1.4

5.5. Conditions of storage and shelf-life of the product under normal conditions of storage

See section 4.1.5

6. Other information

None.
