### **Minor change on request of national authorisation for the biocidal product family *HCl family A* is approved**

The Environment Agency of Iceland (Umhverfisstofnun) received your application for minor change on request of national authorisation for the biocidal product family *HCl family A* on 3 January 2018. The case was accepted by the Agency on 3 June 2019 and validated on 2 July 2019.

The biocidal product family, *HCl family A*, is authorised in Iceland with the authorisation number UST201610-115. This application for minor change on request of national authorisation is granted in exercise of the powers conferred by Articles 50(2) and (3)(b) of Regulation (EU) No 528/2012 and Article 7(7) of Regulation (EU) No 354/2013 (on changes) in accordance with Article 1(1)(6) of Icelandic Regulation No 878/2014 on biocidal products, which implemented Regulation (EU) No 354/2013 into Icelandic legislation.

We hereby confirm that we approve the notification for addition of a non-active substance intentionally incorporated in a biocidal product family outside the authorised range and the notification for change in the pack size range.

The notification concerns

- Addition of new fragrance into existing composition range, Fragrance identifier: „Fresh 291674 B“, between the levels of 0-0.15% w/w.
- Addition of new fragrance into existing composition range, Fragrance identifier: „MERMAID 40 – EAG19545/00“, between the levels of 0-0.15% w/w.
- Addition of new fragrance into existing composition range, Fragrance identifier: „7248552 Royal Flush“, between the levels of 0-0.15% w/w.
- Addition of a polymer into existing composition range. „Polyquart® Pro A“ is to be used in all Harpic Platinum Pro-Shield variants between the levels of 0-0.5% w/w.
- Additional pack size of 680 mL into the existing family range of available pack sizes.

as referred to in Title 2 of the Annex to Regulation (EU) No 354/2013.

Accordingly, the Environment Agency of Iceland has made the relevant changes to the Summary of Product Characteristics (SPC) under asset number IS-0016070-0000. The updated SPC is attached as Appendix 1 – the relevant criteria for the biocidal product family authorisation apply as described therein.

Sincerely

*Hafdís Inga Ingvarsdóttir*
