Transfer of national authorisation – Rodex Control Oktablok – NO-2018-0149

We refer to your notification (R4BP 3 case number BC-RL043957-13), concerning transfer of authorisation holder from PelGar International Limited, UK to PelGar International Limited, France for the biocidal product Rodex Control Oktablok - NO-2018-0149.

According to Article 50 (2) in Regulation (EU) No 528/2012 concerning the making available on the market and use of biocidal products, changes to the conditions laid down in a biocidal product authorisation shall be accepted/approved by the Competent Authority. Changes to a product authorisation are further described in Regulation (EU) No 354/2013.

Regulation (EU) No 528/2012 and Regulation (EU) No 354/2013 are implemented in Norwegian law through the Norwegian Biocide Regulation of 18 April 2017 No. 480.

We hereby confirm that the notification for transfer of authorisation holder, as referred to in Section 1 of Title 1 to the Annex to Regulation (EU) No 354/201, is accepted. No other changes than the above mentioned is accepted with this letter.

The revised Summary of Product Characteristics (SPC) is uploaded to R4BP3

Best regards
Norwegian Environment Agency
