Acceptance of notification regarding administrative changes - GORI 356 and AQUA PRIMER 2907-42

If an authorisation holder intends to make an administrative change with regard to any of the information submitted in relation to the initial application for the authorisation of a biocidal product/a biocidal product family, a notification should be submitted to The Norwegian Environment Agency (cf. Article 50 (2) of Regulation (EU) No 528/2012; implemented in Norwegian law through the Norwegian Biocide Regulation, Regulation of 10th April 2014 No. 548). Changes of products is further treated in Regulation (EU) No 354/2013.

We hereby confirm that we accept the notifications regarding administrative changes for the following products:

- GORI 356, NO-2013-0025 (case number BC-JG006232-62)
- AQUA PRIMER 2907 -42, NO-2014-0042-01 (case number BC-QU006231-29)
- AQUA PRIMER 2907 -42 RAL 9010 Pure white, NO-2014-0042-02 (case number BC-AT006230-49)
- AQUA PRIMER 2907 -42 TS 14872 grey, NO-2014-0042-03 (case number BC-AT006230-49)

The changes concerns:

- Additional manufacturer for propiconazole (Janssen PMP), with reference to ECHA decision on technical equivalence (Case number BC-KM002264-46 and asset number EU-0003416-0000). Acceptance of this change assumes that the requirements of Article 95(2) of Regulation (EU) No 528/2012 are met.
- Change of name of the manufacturer of the propiconazole source (from Syngenta Crop Protection AG to Lanxess Deutschland GmbH)
- In addition, contact information about the authorisation holder in Norway was included, and is identical with our existing information.

Some of the above changes are referred to in Section 1 of Title 1 of the Annex to Regulation (EU) No 354/2013, requiring prior notification before implementation.

No other change to the product than the above mentioned is accepted with this letter.

Enclosed is the updated SPCs.
