On administrative changes of the national authorisation

Latvian Environment, Geology and Meteorology Centre (LEGMC) on 6 February 2024 received the application for administrative changes via Register for Biocidal Products (Case No. BC-KH093047-37) submitted according Article 6 of *Commission Implementing Regulation (EU) No 354/2013 of 18 April 2013 on changes of biocidal products authorised in accordance with Regulation (EU) No 528/2012 of the European Parliament and of the Council* for the biocidal product **Biopren ant gel** with authorisation number **LV/2021/MR/019**.

LEGMC evaluated the application and agrees with proposed changes:

1. Change in the name or address of the authorisation holder, which remains in the EEA.
Bábolna Bioenvironmental Centre Ltd. continues its activities as **Bábolna Bioenvironmental Centre Private Limited Company**. Address remains unchanged.
2. Change in the name or the administrative details of a manufacturer of the active substance, where the manufacturing location and process remain unchanged and the manufacturer remains listed in accordance with Article 95(2) of Regulation (EU) No 528/2012.
For active substance *S-methoprene* (CAS Nr. 65733-16-6, EC Nr. -) Bábolna Bioenvironmental Centre Ltd. continues its activities as **Bábolna Bioenvironmental Centre Private Limited Company**. Address remains unchanged.

This letter is integral part of authorisation of biocidal product through mutual recognition (28th of October 2021, letter No. No.4-6/1538).

LEGMC would like to ask Bábolna Bioenvironmental Centre Private Limited Company to notify the above mentioned information down to supply chain.
