Webinar: Improving the quality of your REACH registration dossier – what authorities are planning and how you can prepare

26 November 2019

Christel Musset
Director of Hazard Assessment, ECHA

Take home messages

A lot has been achieved – still many challenges ahead for all players

REACH compliance is not only an obligation but an act of **social responsibility to use chemicals safely**

To earn citizens' confidence, we (ECHA, Member States, registrants) **all need to fulfil our role**

Webinars

Webinars are information sessions hosted online, and consisting of presentations, video and other interactive features such as questions and answers, desktop sharing and audio conferencing. Up to one thousand participants can remotely join a webinar at once.

A registration link will be available for each individual webinar closer to the event date and all webinars, including a webinar programme and registration link will be announced in ECHA's weekly e-News.

The webinar programme is subject to change. Exact dates will be confirmed as they become available.

Each webinar will be recorded and later published on the ECHA website.
