Clara Rueda

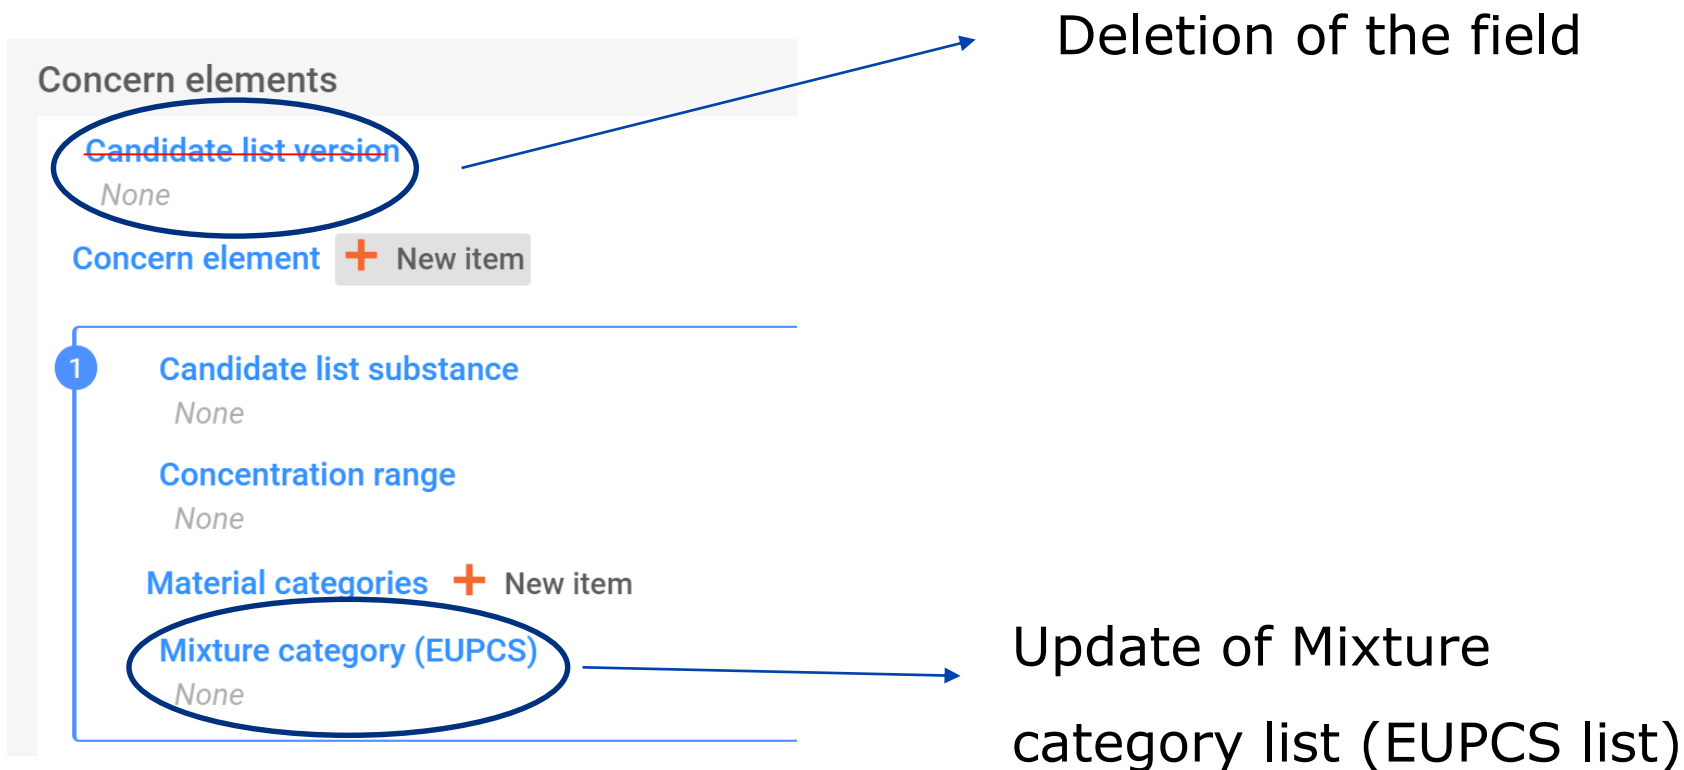

## Planned IUCLID format changes

- Concern element section
- Complex object component section
- Identifiers
- Categorisation:
  - Production EU Flag
  - Article category

## When it will be implemented?

**October 2020** IUCLID release.

# Concern element section

The screenshot shows the 'Concern elements' section of a web interface. It features a list of fields with 'Candidate list version' and 'Mixture category (EUPCS)' circled in blue. Arrows point from these circles to external text: 'Deletion of the field' and 'Update of Mixture category list (EUPCS list)'. A blue line with a '1' in a circle connects the 'Candidate list substance' field to the 'Mixture category (EUPCS)' field. A '+ New item' button is visible next to 'Material categories'.

Concern elements

~~Candidate list version~~  
None

Concern element + New item

1 Candidate list substance  
None

Concentration range  
None

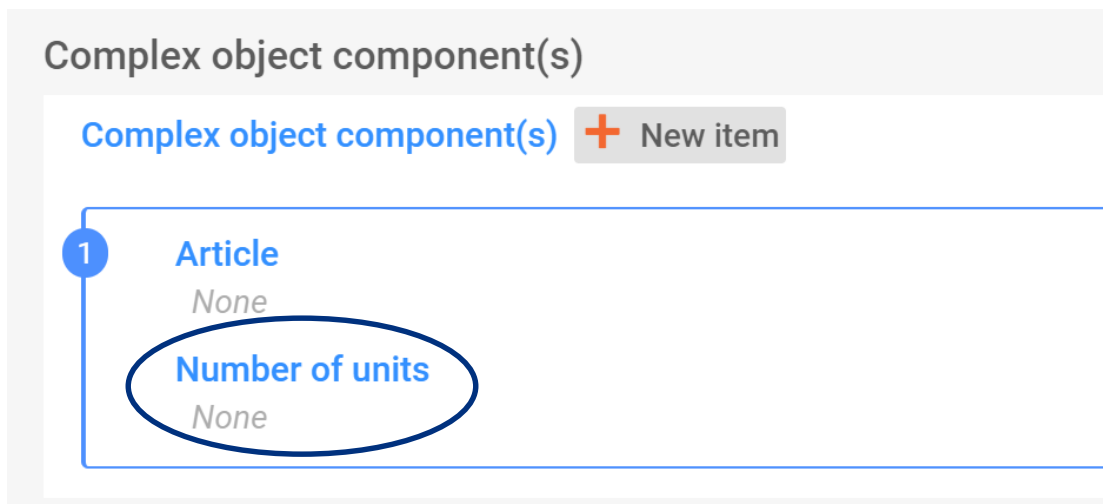

Material categories + New item

Mixture category (EUPCS)  
None

Deletion of the field

Update of Mixture category list (EUPCS list)
