

# Introduction to the workshop

10 February 2020

Mark Blainey  
Risk Management  
Implementation  
European Chemicals Agency

- Purpose of the workshop
- Chatham house rules
- Follow up
- Agenda for the two days
- ECHA team available for questions

## Purpose of the workshop

The workshop is intended to:

- facilitate a technical and scientific discussion on the issue of lead in hunting and shooting
- serve as input into ECHA's investigation into the need for a restriction.

ECHA has no proposal yet, today is the first step towards investigating the need for a restriction.

# Chatham house rules

The workshop will take place following Chatham house rules, participants are free to use the information received, but neither the identity nor the affiliation of the speaker(s), nor that of any other participant, may be revealed

In this manner we hope to provide a way for speakers to openly discuss their views in private while allowing the topic and nature of the debate to be made public and contribute to a broader conversation
