Decision

The Norwegian Environment Agency hereby grants YOU Solutions Germany GmbH a postponement of the expiry date for the authorisation for the biocidal product Tanalith E 8000 on the Norwegian market. The expiry date is postponed from 31 December 2023 to 31 January 2025.

The product is mutual recognised in Norway under the terms and conditions as described in the final Norwegian Summary of Product Characteristic (SPC) attached to the R4BP3 asset no. 0012779-0000. The final SPC can also be found on the website of the European Chemicals Agency here: [Information on biocides - ECHA \(europa.eu\)](https://echa.europa.eu/information-on-biocides).

The grant of extension of expiry date is given in accordance with Article 5 of Regulation (EU) No 492/2014 (renewal of authorisations of biocidal products).

Background

Regulation (EU) No 528/2012 (the Biocidal Products Regulation, BPR), is implemented in Norwegian law through the Norwegian Biocide Regulation of 18 April 2017 No 480.

The reference Member State for the renewal of the biocidal product, Poland, have extended the authorisation for Tanalith E 8000 until 31 January 2025. For authorisations that are mutual recognised, it is agreed among the Member States that these authorisations shall have the same expiry date as the national authorisation granted by the reference Member State (c.f. CA-Sept14-Doc.5.7 –Final).

The current expiry date for the Norwegian authorisation is 31 December 2023.
