Subject: Extended Authorisation for the Biocidal Product, ROBAN VAXKUBBAR

The authorisation for the biocidal product, ROBAN VAXKUBBAR, will expire on 17.4.2023. The authorisation holder applied for renewal of national authorisation in Iceland on 7.9.2021, case no: BC-RU069789-82.

A decision on the renewal of the authorisation cannot be taken before the expiry date, therefore the authorisation in Iceland, IS-2014-0001, is prolonged until 1.7.2024 in accordance with Article 5(4) of Regulation (EU) No 492/2014.

Sincerely,

Hafdís Inga Ingvarsdóttir
Advisor
